Judge Thank for understanding my medical emergency stage 3[#] lung cancer, however I am no longer hospitalized and did manage to send the noticed papers back to corporate counsel so Ms Jordan Vanordale the same I sent you this notice. MAGISTRATE I am still not fully recovered and under certain medical situations due to my illness of cancer. I asked Ms Vanordale to put me together discovery of my two arrest so I can personally view them and explain my cases. I would appreciate if it's done and the disclosures are sent to me to watch?

Videos of Nov 6th and 12th 2022 please and maybe we can set up a conference soon just to touch bases on where we left off. Thank you so much.
